

Apex® Payroll Selected For 2014 IPPA Tech Showcase

Roswell, GA - August 4, 2014 -- Apex Payroll, a trusted provider of comprehensive payroll, payroll tax, Human Resources, and timekeeping cloud based technology, today announced it has once again been selected to participate in the Independent Payroll Provider Association's (IPPA) Vendor Tech Showcase in Huntington Beach, CA. "We understand and our customers recognize Apex's solid execution, continued steady innovation and strong cloud focus, providing them a competitive advantage in the payroll services space," said Marty Hamby, President of Apex Payroll.

A select group of the IPPA 's Board Members and Conference Planning Committee review and choose only six vendors that can demonstrate a new or forthcoming product or service showing how technology is changing the payroll and HR industry. The Vendor Tech Showcase is a part of the 2014 IPPA Annual Conference. The Conference delivers independent payroll service providers with the knowledge and technology solutions needed to grow their business, become more efficient, network with fellow service providers and develop methods to better serve their payroll clients. "We are proud reveal and demonstrate our newest workforce management innovation, My Employer On The GO. This technology further expands our customer's ability to interact directly with employees, expanding our HR footprint," said Stephen W. Gregg, CEO of Apex Payroll.

My Employer On The Go allows employers to improve employee satisfaction. This portal will provide employees a single point of access to their employer, while providing the company and its HR team a tool to engage and communicate with their employees. Employees, managers and employers can access the portal anytime, anywhere and from any device. The product includes electronic pay stubs, time and attendance, benefits statement, leave management, HR profiles, company announcements, company forms and documents, tasks, company directory, and much more.
